

BULK FILLER GREASE SCOOP

GURTECH™

Clean Grease

- Contaminated grease is the most common cause of grease gun malfunctions
- Prevents operators from using improvised scooping solutions that are susceptible to introducing contamination into the grease gun
- Clean greases reduces grease gun downtime and improves machinery maintenance

Clean Storage

- Paddle clips into the scoop
- Scoop and paddle stow inside a tube with a stable footing
- Mounting holes in tube allow for mounting onto a shelf or workbench

Unique Design

- Design specifically for the bulk filling of the G.Gun foot operated grease gun
- Shape of the scoop allows all of the grease to be removed from the pail with minimal wastage
- Move a high volume of grease quickly without any external power source or pumps

*You don't need to have dirty hands
when working with grease*

Description	Specification
Weight	17.00 oz [480 g]
Product Dimensions	L 4.53" x W 4.53" x H 13.78" [L 115mm x W 115mm x H 350mm]
Body	Durable injection moulded nylon parts
