

LOCK-ON 90 PRESTA AIR CHUCK (BICYCLE)

GURTECH™

Trigger Activated Lock-On Mechanism

- Simply depress the trigger to lock the air chuck on to the bicycle tire valve or to release the air chuck
- Easy clip-on / clip-off
- No need to hold while inflating. Lock-on and free up both hands
- Patented design

Design

- Heavy-duty construction for strength and durability
- Resistance to corrosion
- Suitable for garage and industrial air line systems

Static Pressure Reading

- The Presta valve is held open by the internal mechanism of the chuck.
- Allows for an accurate static tire pressure reading

Unique 90 Degree Configuration

- Easy access into confined spaces between bicycle wheel spokes
- Ergonomic trigger mechanism for effortless connect and disconnection

Female Thread

Multiple thread sizes, to fit most air hose fittings.

Sliding Sleeve

Securely locks the air chuck onto the Presta valve. When you inflate ... it stays on!

Description	Specification
Rated Pressure	150 psi [10 Bar]
Weight	3.0 oz [85 g]
Thread Types [Female]	1/4" NPT, 1/4" BSP or 1/4" BSPT
Product Dimensions	L 2.4" x W 0.79" x H 2.1" [L 55mm x W 20mm x H 60mm]
Front Diameter	0.63" [16mm]
Compatibility	Presta tire valve [Bicycle]
Seal Type	Sprung loaded TPU seal
Air Chuck Activation	Manual trigger
Lock on Mechanism	Hardened internally threaded collet and sleeve
Available Variants	Open flow
Patents	EP3995367, US11913582, AU2020267180, others on application
